

Philippine Health Agenda 2016-2022

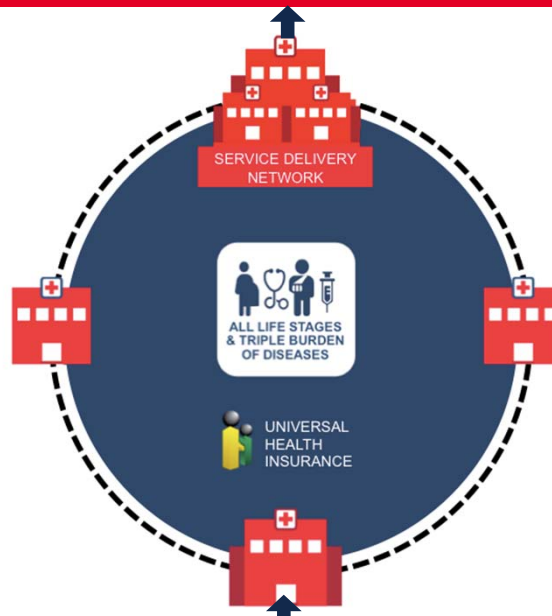

PHILIPPINE HEALTH AGENDA FRAMEWORK

Goals: Attain Health-Related SDG Targets
Financial Risk Protection, Better Health Outcomes, Responsiveness

Values: Equity, Efficiency, Quality, Transparency

3 Guarantees

A C H I E V E

OUR GUARANTEES

- 1. ALL LIFE STAGES & TRIPLE BURDEN OF DISEASE (Services for both the well & the sick)*
- 2. SERVICE DELIVERY NETWORK (Functional Network of Health Facilities)*
- 3. UNIVERSAL HEALTH INSURANCE (Financial Freedom when Accessing Services)*

Our Strategy

A	Advance health promotion, primary care and quality
C	Cover all Filipinos against financial health risk
H	Harness the power of strategic HRH
I	Invest in eHealth and data for decision-making
E	Enforce standards, accountability and transparency
V	Value clients and patients
E	Elicit multi-stakeholder support for health

<i>OUR LEGACIES</i>	<i>DOH 30: 30 Things to do for CHO/MHO</i>
<p>Out of Pocket Expenditures for Health and OOP for medicines for the Poor Reduced</p>	<ol style="list-style-type: none"> 1. Health Center properly stocked w/ selected essential medicines 2. Philhealth accredited health facility (4 in 1: MCP; NBP; TB-DOTS and PCB)
<p>Universal Health Insurance Coverage for all Filipinos</p>	<ol style="list-style-type: none"> 3. 100% of poor families profiled and monitored 4. % of population covered by social health insurance
<p>Reversed trend of HIV/AIDS</p>	<ol style="list-style-type: none"> 5. Awareness of HIV/AIDS among the youth 6. 100% testing, counselling and treatment for risk populations 7. Increase condom use

<i>OUR LEGACIES</i>	<i>DOH 30: 30 Things to do for CHO/MHO</i>
L owered Malnutrition Rate	8. Decrease malnutrition rate (wasting) 2%
	9. Decrease stunting rate 3%
	10. 100% of children under-5 years old weighed in all barangays
E nsured Blood Adequacy	11. 1% of population donating blood
	12. Adequate referral system
G ood Data for Decision Making	13. 100% Functional Electronic Medical Record
	14. FHSIS and Surveillance data used in the LIPH
A ttained Zero Unmet Needs for Modern Family Planning	15. No stock outs of FP commodities
	16. Full range of Family Planning services offered
	17. Decrease in unmet needs for modern FP

OUR LEGACIES	DOH 30: 30 Things to do for CHO/MHO
C ommunity-Based Rehabilitation Program in all communities	18. 100% Tokhang assessed
	19. Outpatient and community services available
	20. Referral system smooth and functional
I SO in all Government hospital	21. SDN functional (Part of the SDN)
	22. QMS in place – SS standards
E xpenditure on Health Increased	23. LGU health budget increased (above 15%)
	24. PhilHealth reimbursement
S ustained Zero Open Defecation, Universal Basic Drinking Water, Universal Hand Washing	25. % households using safely managed sanitation services
	26. % households using safely managed drinking water services

<i>OUR LEGACIES</i>	<i>DOH 30: 30 Things to do for CHO/MHO</i>
24/7 Access to Health Services for all Filipinos	27. Functional and licensed ambulance
	28. All barangay visited by MHO at least 2x a year
	29. 100 % of poor provided with annual health check-up
	30. One member trained on Cardiopulmonary Resuscitation (CPR) per household

PHILIPPINE HEALTH AGENDA 2016-2022

Philippine Health Facilities Development Plan (PHFDP) 2017-2022

Philippine Health Facilities Development Plan

- The national plan for health facilities
- Guide for government investments in health facilities such as the Health Facilities Enhancement Program of the DOH among others
 - Promotes rational allocation of government investments; and
 - Ensures equitable access to health facilities in the country

Barangay Health Station (BHS)

Rural Health Units/Urban Health Centers (RHU/UHC)

1 BHS per Barangay	Ratio	1 RHU/UHC per 20,000 pop
1 Nurse or Midwife per BHS	Healthcare Worker	1 Doctor per RHU
Community health profiling Family Visits Diagnostic Screening Health Promotion/Prevention Population Interventions Scheduled Medical Service Visits	Services	Basic consultations/medical services Basic Labs and Diagnostics Animal bite center TB-DOTS Birthing facility Community Based Drug Rehab Gatekeeping

Polyclinic

Hospitals

1 Polyclinic: 100,000 Pop	Ratio	1:800 Bed to Population Ratio
4 Specialists per Polyclinic	Healthcare Worker	Staffing based on Hospital Level
<p>Outpatient Specialty Care Infirmaries to be converted to Polyclinics Diagnostics, Imaging and Lab Services</p>	Services	<p>Level 1: OPD, ER Services, IM, OBGYN, Surgery and Pediatrics, 2° Clinical Lab Level 2: LVL 1 + Departmental Clinical Services, ICU, 3° Clinical Lab Level 3: LVL 2 + teaching & training, dialysis, physical medicine & rehab Specialty Centers: specializes in a particular disease or condition</p>

Current and Future Gaps

**Assumed no new barangays are created

Barangay Health Stations Target: 42,036 (1 Per Barangay)

BHS Facility	Ideal	Existing	Ongoing	Less Ideal RHU/UHC	Gaps*
1 BHS / barangay	42,036**	20,045	6,687	5,700	9,604**
1 BHS : 2,000 population					
@ Current Year 105 Million Pop	52,500	20,045	6,687	5,250	20,518
@ 2022 114 Million Pop	57,000	26,732	-	5,700	24,568

*Subject to validation of Regional Offices in consideration of the Service Delivery Network

Current and Future Gaps

Rural Health Units and Urban Health Centers

Target: 5,250 (1:20,000)

Facility	Ideal	Existing	Ongoing	Gaps *
1 RHU / UHC : 20,000 population				
Current Yr (2017) @105 Million Pop	5,250	2,586	375	2,289
Future (2022) @ 114 Million Pop	5,700	2,961	--	2,739

*Subject to validation of Regional Offices in consideration of the Service Delivery Network

Current and Future Gaps

Policlinics

Target: 1,050 (1:100,000)

Existing
300 (29%)

Gaps
750 (71%)

Facility	Ideal	Existing	Gaps *
1 Polyclinic: 100,000 population			
Current Year (2017) @105 Million population	1,050	300	750
Future (2022) @ 114 Million population	1,140	300	840

*Subject to validation of Regional Offices in consideration of the Service Delivery Network

Hospital Bed to Population Ratio (2015)

REGION	HOSPITALS		POPULATION	BED:POP'N RATIO
	HOSPITALS	BEDS		
I	86	3,955	5,026,128	1 : 1,271
CAR	23	1,876	1,722,006	1 : 918
II	59	3,296	3,451,410	1 : 1,047
III	165	9,802	11,218,177	1 : 1,144
NCR	141	21,771	12,877,253	1 : 591
IV-A	207	11,332	14,414,774	1 : 1,272
IV-B	23	1,377	2,963,360	1 : 2,152
V	50	2,981	5,796,989	1 : 1,945
VI	61	5,673	7,536,383	1 : 1,328
VII	52	5,541	7,396,898	1 : 1,335
VIII	43	2,665	4,414,131	1 : 1,656
IX	43	2,446	3,629,783	1 : 1,484
X	63	5,009	4,689,302	1 : 936
XI	53	4,295	4,893,318	1 : 1,139
XII	56	4,315	4,545,276	1 : 1,053
CARAGA	17	1,239	2,596,709	1 : 2,096
ARMM	19	821	3,781,387	1 : 4,606
PHILIPPINES	1,161	88,394	101,771,952	1 : 1,142

1:1000

- Current PHL target
- Some Regions are now able to achieve the ratio

1:500

- Recommended by WHO to developing countries
- No Region is yet able to achieve the ratio

1:800

- Recommended new PHL ideal target

Current and Future Gaps

Hospitals Beds

Target: 131,250 (1:800)

Existing
88,394 (67%)

Gaps
42,856 (33%)

Facility	Ideal	Existing	Gaps *
1 General Hospital Bed : 800 Population			
Current Year (2017) @105 Million population	131,250	88,394	42,856
Future (2022) @ 114Million population	142,500	88,394	54,106

DOH Hospitals Upgrading

DOH Hospitals as referral centers in Service Delivery Network

DOH Hospitals at Level 2 as minimum

DOH Level 3 Hospital per Region for Sub-Specialty Services Selected sites as Renal Transplant or Brain Centers

DOH Mega Treatment and Rehab Centers
Luzon: Fort Magsaysay, Nueva Ecija
Visayas: Cebu
Mindanao: Davao

DOH Mega Hospitals

Visayas

Vicente Sotto Memorial Medical Center

Mindanao

Southern Philippines Medical Center

DOH Apex Hospitals

Strengthen National Capacity/ Regional Centers for Specialty Services (e.g., Telemedicine)

Philippine **Heart** Center; **Lung** Center of the Philippines; National **Kidney** and Transplant Institute; **Brain** – Jose R. Reyes Memorial Medical Center and East Avenue Medical Center; **Orthopedic, Physical Medicine and Rehabilitation** – Philippine Orthopedic Center ; **Reproductive Health** and Neonatology – Dr. Jose Fabella Memorial Hospital; **Research Institute** for Tropical Medicine and San Lazaro Hospital; **Eye and Biomarine Poisoning and Toxicology** – East Avenue Medical Center; National Center for **Mental Health**

LGU Hospitals in the Service Delivery Network

PROVINCIAL and HUC HOSPITALS

At least Level **2** and **100** Beds

- Upgrade all to Level 2 with at least 100 beds
- If Level 3 tie-up with academe, improve training capability
- Island provinces and priority tourism areas, Level 2 with enhanced emergency capabilities

MUNICIPAL, CITY and DISTRICT HOSPITALS

At least Level **1** and **50** Beds

- If Level 1 but less than 50 beds, increase bed capacity
- 1 under-utilized district hospital per province to be converted to Drug Abuse Treatment and Rehab Centers

LGU INFIRMARIES

- Upgrade to Level 1 with at least 50 beds
- OR -
- Some infirmaries could be converted into polyclinics
- Establishing new infirmaries not recommended

Closing the Gaps

Total Investment: **PhP 228 B**

Barangay Health Stations

Target: 42,036 (1 Per Barangay)

PhP16 B

Existing: 20,045 (47.7%)	Ongoing : 6,687 (15.9%)	RHU/UHC: 5,700 (13.6%)	Gap: 9,604 (22.8%)
--------------------------------	-------------------------------	------------------------------	--------------------------

RHUs/UHCs

Target: 5,250 (1:20,000)

PhP36 B

Existing: 2,585 (49.2%)	Ongoing : 375 (7.14%)	Gap: 2,289 (43.6.8%)
-------------------------------	-----------------------------	----------------------------

Policlinics

Target: 1,050 (1:100,000)

PhP33 B

Existing: 300 (28.6%)	Gaps: 750 (71.4%)
-----------------------------	-------------------------

Hospitals Beds

Target: 131,250 (1:800)

PhP87 B - General

PhP40 B - Specialty

PhP16 B – Other Facilities/Transport

Existing: 88,394 (67.3.6%)	Gaps: 42,856 (32.7%)
----------------------------------	----------------------------

Implementation Strategies

PhP6.6 B

Support for Operations of Select BHS
(GIDA, Conflict Areas, IP Areas, Low IRA) while working on the PhilHealth Accreditation of all BHS

PhP60 B

Focus hospital investment on top five regions with highest gaps on general bed to population ratio (ARMM, MIMAROPA, CARAGA, BICOL and EASTERN VISAYAS)

PhP18.43 B/Year

Strengthening and Expansion of DOH Human Resources for Health Deployment Program

PhP2.37B/Year

Provision of Basic Medicines and Drugs in all RHUs

Implementation Mechanism for PHFDP

Concerned Agency	Responsibilities
National Government Agencies	Develop macro-plan and policy directions for health facility development, functionality and sustainability (NEDA, DOH)
	Provide necessary augmentation investment for health facility development of National Government Agencies and Local Government Units Health Facilities (DBM, NEDA, DOH)
	Provide technical advice, human resource capability building and information technology assistance (CHED, DICT, DOH)
Local Government Units	Ensure adequate human resources for health requirements provided for a functional health facility
	Provide budget necessary for maintenance and other operational expenses for health facility
Private Sector	Supplement the establishment of hospitals and other health facilities and support for the functional Service Delivery Network

Some Key Recommendations

1. Strengthening of DOH Health Facilities Enhancement Program Management Office by creation of plantilla positions and increase MOOE for the efficient and effective program management implementation
2. Retention of PhilHealth reimbursements in all government health facilities to support maintenance, operating expenses, human resource and capital outlay improvement
3. Increase medical and allied health science courses and graduates, to ensure competent human resources and the functionality of upgraded and new health facilities (equity in distribution of schools, increase HRH production through grants, mandate return of service agreements, complete HRH plantilla requirements by following standards)
4. Institutionalization of Return to Service Agreements for medical and allied health graduates of government higher education institutions
5. Amend Local Government Code to exempt human resources for health from Personal Services ceiling (45% for 1st-3rd Class and 55% for 4-6th Class LGU)
6. Robust investment on an integrated Health Information System
