This Project, one-and-a-half years in the making, is dedicated to the memory of the late Dr. Wilmer Heceta, the alumni foundation's second chairman, who continues to inspire us all. Proceeds from these two events will go to the Heceta Endowment Fund, also known as the 333 Endowment Fund, which seeks to fund in perpetuity programs for the UERMMMCA College of Medicine designated by the **UERMMMCA FUSA, Inc.**'s Board of Trustees. While individual donations from alumni in the form of \$300 per person per year for 3 years as originally conceived are always encouraged, the foundation has embarked on projects like this to hasten attainment of the fund's financial goal. Alumni donors responded generously to the first of such effort last year. We strongly feel that they will do so again this year. In this spirit, we ask and hope for your support. Have an enjoyable time at the casino and the musical! Thank you so very much! *Mabuhay!*
